Releasing Innovations Hub: Volume-VII – Issue-I by Sri. Brahmachari Shyam (Ramakrishna Matt), Principal Dr.S.Sudhakara Reddy and HODs

NEWSLETTER

Principal's Message

Dr. S. Sudhakara Reddy, Principal

I have a great pleasure in expressing my thoughts as the Principal of Malla Reddy Engineering College (Autonomous). We are in the post modern era where science and technology are the corner stone's on which the edifice of society rests. The advances in communications have put us on the information super highway and the nations which are slow to change are bound to lag behind in progress and prosperity. We are lucky to be counted among the successful people in the polity of nations which have made headway in information technology and communications.

Our institute holds the manifold distinction of being amongst the best when one considers the present status of technical education today. Our teachers are invited as resource personnel at national and international seminars, conferences and symposia in India and abroad. I wish the best for all our staff and students who reiterate their aims at providing the best in academic and extra-curricular fields.

Chairman's Message

Sri. Ch. Malla Reddy, Founder Chairman & Hon'ble MP, Malkajgiri

Engineers & technologists form the backbone of any nation's economic development and with globalization, the competition in all walks of life has just become steeper. In this context, an institute like ours which is at the top in propagating an excellent environment, caring for human sensitivity and at the same time striving to maintain the quality of education to match the demands of the time, is really rare one. This is reflected in our academic results which have been rated as the highest among other autonomous colleges. I can say with confidence that Malla Reddy Engineering College is a role model for others and students getting an opportunity to be associated with us have every reason to expect the best.

With the support of qualified, dedicated and hardworking faculty, the institute has achieved enviable ranking in a short span and I have no doubts that with this pace, Malla Reddy Engineering College (Autonomous) will march ahead of other eminent institutes at the national level. Four years of engineering education at MREC will not only earn students a degree but will transform students' personality, empowering them to lead a successful life.

Editorial Voice:

Mr. Venkateshwar Reddy Vellanki, Dean, Admissions

Innovations Hub congratulates the staff and students whole-heartedly for their participations in various events viz. Workshops, Seminars, Symposia and Fine Arts etc. The budding-engineers ought to evolve themselves and nourish their scopes in a multi faceted way. The doctrines and dogmas nurtured by the ancient philosophers are seemingly impressed in the present day scholars especially the engineers. As and when there are a lot of fluctuations invariably in the field of engineering, the engineers are in the state of consistency. It is much anticipated factor as far as the engineer is concerned. The perpetual state of being is bloomed within. In the journey of academic excellence, especially engineering, one has to experience more ups and downs. Today's students are tomorrow's

leaders. Engineers are the pillars of the society. To be an effective pillar "An Engineer should act as Hercules' way of living to emancipate the society." Many times we yield ourselves to make convenient of ours. A great man is no longer being a great man unless he does the great things without any finite instruments for his service to the society. An Engineer should scrupulously uphold the positive traits on each foot of his journey as an engineer.

Dr. Vijay Kumar Bandreddy,
Head of the Department of English

National Youth Day Excelsior - 2k16

Malla Reddy Engineering College (Autonomous) celebrated **Swami Vivekananda birth anniversary and National Youth Day** in a befitting manner on **12th Jan, 2016**. Many activities were organized including speeches, seminars, recitations, presentations, yoga and sports events. The programme was inaugurated by the Principal **Dr.S.Sudhakara Reddy** by lighting the lamp and offering garlands and flowers at the statue and portrait of Swami Vivekananda. All students have come together and formed organizations meant for prompting discussion of spiritual ideas and the practice of such high principles. Faculty explained students about the teachings of Swami Vivekananda, in a hope to impart them moral values and enlightenment.

Sri Brahmachari Shyam, member of Ramakrishna Math attended as a chief guest and urged the

students to get inspiration from Swami Vivekananda, and follow his footsteps. Shyam made an inspired speech on "Relevance of Swami Vivekananda's teaching for the youth today". Students also delivered competitive talks and cleared all the doubts at the end of the session. Swami Vivekananda's quotes were displayed to all the staff and students.

Release of Innovations Hub: Volume-VII – Issue-I

The first Issue in Seventh volume of '**Innovations Hub**', the news letter of Malla Reddy Engineering College (Autonomous) was inaugurated on **12th Jan. 2016** by the Principal Dr. S. Sudhakara Reddy with the team of News Letter, HODs and Management members.

Release of JoRSTEM: Volume-2, Issue-1

The first Issue in Second volume of **Journal of Research in Science Technology Engineering and Management (JoRSTEM)**, the Journal of Malla Reddy Engineering College (Autonomous) was inaugurated on **31st March 2016** by the Principal **Dr. S. Sudhakara Reddy**. **7 papers** are selected from **18 papers** around the World for this Issue.

Akshara2K16, a National Level Techno-cultural annual event is organized by the MREC. It provides a platform for the budding Engineers of tomorrow to present their technical, humor and conceptual skills in various disciplines. Quality is the essence of Akshara2K16. The participants deliberate on various aspects and trends of engineering and technology and business acumen. This year was the fourteenth fete of the institution in organizing Akshara2K16, after having received a tremendous response from the previous Akshara2K16 events.

Akshara 2K16 was held on 11th & 12th of March 2016. A total of 200 papers were presented of which 100 were selected. At the inaugural function, Mr.RK Mani, Scientist graced the occasion by kindly accepting to be the Chief Guest. The keynote address was delivered by Dr.S.Sudhakara Reddy, Principal. A Valedictory was held to honor the prize

winner. The esteemed Chief Guest of the occasion was Sri Ch.Malla Reddy, Founder Chairman of MREC and Member of the Parliament, Malkajgiri. The festive mood of the day was fully manifested in the enthralling performances of the students as the contestants for Mr. & Miss Akshara2K16 were getting ready to walk the ramp.

The contest had four rounds including two rounds of ramp walking in traditional and western garments followed by a talent display round and the final question and answer round. There were three judges from amongst the faculty, chosen by the organising team of the students to judge the different rounds of the contest. The judges scored the contestants based on three broad criteria namely, dressing style, ramp walk and the overall presentation. During the talent display round the contestants showcased a wide variety of talents such as singing and dancing. Senior students also took the stage in between the different rounds of the contest and kept audience involved and engrossed. The contestants as well as the seniors performing on the stage received loud cheers and enthusiastic applause.

The final Q & A round had brilliant contestants. It was not an easy task for the judges to pick the winners. After the completion of the very interesting Q & A round, the judges finally declared the winners. The crowds cheered, clicked photos and applauded as the winners of the titles were being announced.

The final winners at Mr & Miss Fresher – 2K16

Mr.Ajay Nair of I B.Tech Civil

Ms.Vineela Rao of I B.Tech CSE

This brilliantly organized event's conveners Dr.P.Raja Sekhar, Dr.P.Shankar Babu and whole staff members worked hard lead by their inspiring Principal, Dr.S.Sudhakara Reddy.

Department of Electronics & Communication Engineering:

- ♦ **Dr.M.J.C Prasad**, Professor & Head of the Department of ECE published a paper on 'Obstacle Detection in Textured Environment by using Color Coherence' in an International Journal of Innovative Technologies Volume No.2 Issue 2 in Page No 286-291.
- ♦ **Mr.V.Srinivas**, Asst. Professor in the Department of ECE published a paper on 'VLSI Design of Data Encoding Schemes For Low Power' in an International Journal for Technological Research in Engineering Vol-3 Issue-6 in Page No 1003-1008.
- ♦ **Mr.B.Sagar**, Asst. Professor in the Department of ECE published a paper on 'RFID Positioning Robot: an Indoor Navigation System' in an International Journal of Innovative Research in Electronics and Communications Vol-3 Issue-1 in Page No 8-12.
- ♦ **Mr.Santosh J**, Asst. Professor in the Department of ECE published a paper on 'Design and Power Analysis of 8T SRAM Cell Using Charge Sharing Technique' in an International Journal of Innovative Research in Electronics and Communications Vol-3 Issue-1 in Page No 20-26.
- ♦ A proposed project of Mr.Indla Loknadh, a student of III-ECE-B (14J45A0420) has been short listed (among top 10 lists out of 19 Proposal) as an innovative project which meets the requirement of the scheme "**Support for Entrepreneurial and Managerial Development of SMEs through Incubators**" and conveyed a meeting on 27th February 2016.His application has been forwarded to the office of MSME-DC, New Delhi for the next level process.

Guest Lecture:

The Department of ECE has organized a one day seminar on **“Design Concepts of Embedded Systems”** by Mr.Kishore Verma, Design Engineer, EPR Labs, Bangalore on 10th February 2016 at ECE seminar hall between 10:00 AM to 4:00 PM for the benefit of third year students. Mr.Kishore verma emphasized on importance of basic concepts of electronics, microcontrollers and skills required to design and implement an embedded project. The lecture also discussed about the software programming techniques and installation using Keil software and it's usage in embedded applications with authenticated explanations and real time examples. The seminar was given a lot of significance to description of 8251 processor board, its pin configuration due to its immense importance in embedded system programming. The seminar discussed about implementation of real time embedded systems such as small moving robot, line follower and Bluetooth controlled car etc.

Industrial Visits:

The Department of ECE organized an industrial visit to **“Regional Telecom Training Centre, BSNL, Gachibowli, Hyderabad on 20th February 2016** for the benefit of third year students under the coordination of faculty Mr.T. Srinivas Reddy and Mr.S. Madhu Babu.

RTTC is a fully standards-compliant ISO 9001:2008 certified Training center, established by BSNL to impart training in Latest Telecom Technologies.

Around 100 students wholeheartedly felt that they have learned few concepts both theoretically and practically in this visit to BSNL, RTTC.

“Indian National Centre for Ocean Information Services (INCOIS)”

The Department of ECE has organized an industrial visit to **“Indian National Centre for Ocean Information Services (INCOIS), Hyderabad on 05th March 2016** for the benefit of third year students. Around 200 students visited INCOIS. The visit was coordinated by the faculty, Mr.D.Praveen kumar, Mr.M.Murali Krishna, Mr.B.Upender Rao and Mr.Kranthi Kumar.

Mrs. G.S.K. Gayatri Devi, Associate Professor in the Department of Electronics & Communication Engineering was awarded with **Doctorate** by **Andhra University** for her tireless research on *'Intensive Studies on Generation of Optimized Radiation Patterns from Thinned Arrays using Genetic Algorithm and Differential'* in Visakhapatnam.

Department of Mechanical Engineering:

- ◆ **Mr P.Pramod Kumar**, Assoc. Prof. in the Department of Mechanical Engineering attended the QEEE phase 5 workshop session held at IIT, Chennai from 05th to 06th January' 2016.
- ◆ **Mr.K.Rajesh**, Asst. Prof. in the Department of Mechanical Engineering attended a two day seminar on “Trends in Mechanical Engineering” organized by the department of Mechanical Engineering held at Vidya Jyothi Institute of Technology, Hyd during 22nd & 23rd Feb 2016.
- ◆ **Mr.C.Chandra Sekhar**, Asst. Prof. in the Department of Mechanical Engineering attended a two day seminar on “Trends in Mechanical Engineering” organized by the department of Mechanical Engineering held at Vidya Jyothi Institute of Technology, Hyd during 22nd & 23rd Feb.16
- ◆ **Mr.A.Ramesh**, Asst. Prof. in the Department of Mechanical Engineering attended an International Conference on “Technology Innovations in Mechanical Engineering” held at CBIT, Hyd, on 10 & 12 Feb 2016 and presented a paper on “A review on developments of natural fiber reinforced polymer composites and properties of thermosetting materials”.
- ◆ Department of Mechanical Engineering organized A National level premier Faculty Development Programme on Research Trends and Issues in Mechanical Engineering during 25th to 27th Feb'2016.
- ◆ **Mr.D.V.Sai Pradhyum** (15J41A0372), Mr.Vivek (15J41A03D1), Mr. Prabath (15J41A03D8) Mr. Praful Chandar (15J41A03E4) , students of I B.Tech Mechanical Engineering were participated in ROBOWAR conducted in ESPARTO 2K16, A national Level Techno Cultural Fest organized by Hyderabad Institute of Technology & Science (HITAM) and won the 2nd Prize.

- ◆ **Mr. Anirudh Nune** (13J41A0303), **Mr. N. Sri Harsha** (13J41A0338) and **Mr. T. Manoj Kumar Sahu** (14J45A0312) of III B. T.ech. (MR13) II semester students completed Driver Training programme in the organizing committee of International Series of Karting conducted by Meen Metal Motors Pvt. Ltd. On 20-01-2016 at Torq 03, Bangaluru.
- ◆ **Mr. A. S. Vijay Kiran** (13J41A0365) and **Mr. D. Sai Teja** (13J41A0376) of III B. T.ech. (MR13) II semester students participated in YUVA MEET 2016 in Developing Skills and Social Entrepreneurship for Sustainable Future, organized by the Energy and Resources Institute from 29th to 30th January' 2016 at New Delhi under NSS activity.

Department of Civil Engineering:

- ◆ **Mr.D.Srinivas Nayak** and **Ms.R.N.Sujatha**, faculty of The Department of Civil Engineering organized a Guest Lecture on 'Slopes and artificial slopes and their failures' by **Dr.Anasua Guha Ray**, faculty from BITS Pilani on 2nd March 2016.
- ◆ **Dr.Srinivas Gupta**, **Mr. D Srinivas Nayak** and **Eshark**, faculty of Civil Engineering Department have organized an industrial visit for the students of Civil Engineering Students to Archeological Survey of India on 4th March 2016.
- ◆ A remedial class was organized for below average students in Civil Engineering Department by **Dr. P. Srinivas Kumar**, Professor in Osmania University on 'Roads and Materials in Transportation Engineering'

Department of Computer Science & Engineering:

- ◆ **Mr. R S Murali Nath**, Associate Professor in the Department of CSE attended a Two days workshop on "Technology Partnership with Academia, a symposium at ISB, Hyderabad" conducted by ISB, Hyderabad in association with TASK from 21-01-2016 to 22-01-2016.
- ◆ **Mr. P.V.Ramana Murthy**, Associate Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. R.S.Murali Nath**, Associate Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. S.Ajay Kumar**, Associate Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr.M. Sabhpathy**, Asst. Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. Vijay Krupa Vasthal**, Asst. Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. Sanjeeva Polepaka**, Asst. Professor in CSE, Dept. of CSE have attended a One Day Workshop on "Gender Sensitization" conducted by JNTU College of Engineering, JNTUH, Hyderabad on 12-02-2016.
- ◆ **Mr. R S Murali Nath**, Associate Professor in the Department of CSE attended a Two days workshop on "Technology Partnership with Academia, a symposium at ISB, Hyderabad" conducted by ISB, Hyderabad in association with TASK from 21-01-2016 to 22-01-2016.
- ◆ **Mr. P.V.Ramana Murthy**, Associate Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. R.S.Murali Nath**, Associate Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. S.Ajay Kumar**, Associate Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr.M. Sabhpathy**, Asst. Prof. in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. Vijay Krupa Vasthal**, Asst. Professor in CSE, attended a Five Day workshop on "Cloud Computing" at OUCE under TEQUIP from 8-2-2016 to 12-2-2016.
- ◆ **Mr. Sanjeeva Polepaka**, Asst. Professor in CSE, Dept. of CSE have attended a One Day Workshop on "Gender Sensitization" conducted by JNTU College of Engineering, JNTUH, Hyderabad on 12-02-2016.
- ◆ Department of CSE organized a Two day workshop on "IBM Bluemix Cloud Training" in association with TASK from 12-02-2016 to 13-2-2016 for II year students.
- ◆ Department of CSE organized "Python Certification Program" in two sessions for its III B.Tech students from 1-2-2016 to 13-2-2016 and 15-2-2016 to 27-2-2016.

Department of Electrical & Electronics Engineering:

Mr. P. Shankar Babu, Associate Professor in the Department of Electrical and Electronics Engineering was awarded with **Doctorate** by **Bharath University** for his tireless research on '*Phase locked loop system and system level control at single phase bi-directional converter interfaced with micro grid system*' in the month of February-2016 in Chennai.

Department of Master of Business of Administration:

- ♦ **Dr.K.Veeraiah**, Assoc. Professor and Head of the Department was invited as a Subject expert for JNTUH Staff selection committee from KMIET on 04th March 2016
- ♦ **Ms.P.Anusha** (14J41E0066) a student of II year MBA has participated in the event 'B.Quiz' organized in Akshara 2K16 at MREC (A) on 11th March 2016.
- ♦ **Ms.Sai Bhavana** (15J41E0026), a student of I year MBA has participated in the event 'Young Manager' organized in Akshara 2K16 at MREC (A) on 11th March 2016
- ♦ **Ms.G.Divya** (15J41E0034), a student of I year MBA has participated in the event 'Young Manager' organized in Akshara 2K16 at MREC (A) on 11th March 2016
- ♦ **Mr.E.Chandra Kiran** (15J41E0014) a student of I year MBA has participated in the event 'B.Quiz' organized in Akshara 2K16 at MREC (A) on 11th March 2016.
- ♦ **Ms.Y.Deepika** (15J41E0056), **Mr. K.Rajavardhan** (15J41E0028), **Ms. M.V.Sravanthi** (15J41E0028), Students of I year MBA have participated in Cultural events organized at Akshara 2K16 by MREC (A)

Department of English:

- ♦ Dr.TV Surendranadha Reddy, Professor in the Department of English has published a paper on 'Women in the Writings of Mahesh Dattani and Gita Hariharan' in Vol-I Issue-II March 2016 of Research Inspiration, an international multidisciplinary e-journal with ISSN: 2455-443X and Impact factor of 2.07(IJIF)
- ♦ Dr.Vijaya Kumar Bandreddy, Head of the Department of English has published a paper on 'Women in the Writings of Mahesh Dattani and Gita Hariharan' in Vol-I Issue-II March 2016 of Research Inspiration, an international multidisciplinary e-journal with ISSN: 2455-443X and Impact factor of 2.07(IJIF)
- ♦ Dr.Vijaya Kumar Bandreddy, Head of the Department of English attended a Two Day National Level Workshop on 'Gender Sensitization' conducted by Department of H&SS, JNTU Hyderabad.
- ♦ Ms.P.Srujana, Asst. Professor in Dept. of English attended a Two Day National Level Workshop on 'Gender Sensitization' conducted by Department of H&SS, JNTU Hyderabad.
- ♦ Mr.K.James, Asst. Professor in the Department of English attended a Three Day workshop on 'Organization Impact Skills and Behavioral Skills' during conducted by Infosys Ltd. at Sri Indu College of Engineering & Technology, Hyderabad.

Department of Mathematics:

Dept. of Mathematics celebrated A.K.Ramanujan's 128th Birthday on 22nd Dec in the Department. Dr.S.Sudhakara Reddy, Principal, MREC(A) tributed Ramanujan Photo with garland and flowers. The faculty of Mathematics cut the cake and had a discussion on contribution of A.K.Ramanujan to Mathematics and the greatness of his discoveries.
