Member SAP Student Academy Program

The SAP Student Academy program expands on SAP's existing engagement with educational institutions. Designed to provide convenient and cost-effective SAP training to aspiring students through SAP Student Academy program.

SAP Education strives towards providing employability enhancement SAP skills and Certification programs. SAP Student Academy Program is an initiative of SAP Education to provide SAP Courses to students studying in Colleges/ Universities. Under this MoU, SAP wishes to set-up Student Academy centre at College campus through its Authorized Education Partner. Each Party shall contribute their respective resources as per the responsibilities contemplated herein for establishment of this e-Learning centre at College Campus. Parties shall co-operate and contribute their complementary skill set for setting-up of aforesaid centre. The Parties shall have clearly defined roles and responsibilities for the setting-up and functioning of the said SAP e-learning centre at College Campus.

SAP Training Course as contemplated herein is restricted only to the full time registered students of the College and as such not open for general public at large.

The SAP Student Academy program enables educational institutions to offer specialized SAP software training. The program offers access to self-paced learning courses that are mapped to SAP certification tracks in many SAP solution areas. With SAP Student Academy, you can deliver highly valued content that differentiates your institution, increase your students' employability, and help meet a market need for candidates with SAP skills.

Objectives

- Enhance student employability
- Support today's informal learning styles
- Differentiate institutional curriculum to attract and retain students Solution
- Access to self-paced courses that are aligned with SAP certification tracks
