

# Karthika Vanabhojanalu

The Management and Staff of MREC (A) jointly organized “**Karthika Vana Samaradhana**” on 24/11/2019 for all staff and their families at Malla Reddy Gardens.

Karthika masam is considered very auspicious. A popular ritual practiced in this month is “Vanabhojanalu” literally meaning having food in gardens or in the wilderness. The staff and their families assembled at college by 8.00AM, and reached the venue by 9.00AM. Firstly, Princial Sir, performed pooja to the AMLA tree .Later the staff and their families strolled around the mango grove, had a sumptuous lunch under the trees, played a few games and returned home late in the Evening. Everyone enjoyed the outing.....
