#### CURRICULAR ASPECTS

##### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

- Curriculum preparation - Based on local, national, and global developmental needs within the local context.

- Department BoS - Faculty and external subject experts

- o Deliberate and discuss the relevance of CO, PO, and PSO of the proposed curriculum are relevant to local, national, and global

development needs.

o Implementation of CBCS

o Collection of feedback from stakeholders - periodic revision of curriculum to strengthen CO, PO, and PSO attainment.

o Course syllabus design - To attain Knowledge, Skill, Attitude, and Values - Objectives, Outcomes, Assessment as per Bloom's taxonomy, concept map, Text and reference books, and lecture schedule.

o Courses for each curricular component - Course map based on prerequisites - course scheduling - course credit allocation

• Curriculum - balanced in composition among Basic sciences, engineering sciences, humanities, and social sciences, Core, Core electives, open electives, project work, and employability enhancement.

• It also specifies various metrics to assess Pos.

The process for designing the program curriculum:

Step 1: Program Assessment Committee - Draft curriculum preparation - Inputs: Department Vision, Mission; Stakeholders' feedback, CO, PO, PSO attainment; Statutory bodies' guidelines.

Step 2: Pre BoS meeting - Draft curriculum, recommendations of changes.

Step 3: BoS meeting - Finalize the curriculum and syllabi

Step 4: Academic Council - Approval of the curriculum and syllabi

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The institution integrates cross cutting issues relevant to gender, environment and sustainability, human values and ethics by introducing specific courses in the curriculum and various activities such as Orientation Programmes for first year students, Women empowerment programmes and counseling activities. The academic courses that address these issues are listed in the following Table attached.

In addition to these courses, the institution has Women Development Cell (WDC), Women Grievance Cell (WGC) and Anti-ragging Cell to deal with the issues relevant to gender, human values and ethics. WDC is constituted to facilitate women development & safety and respect to women. WGC looks into any complaint from girls & women staff. WDC organizes seminars and invited lectures by domain experts to bring awareness towards women empowerment and legal rights. With an emphasis on the need of counseling the young minds, counseling cell is constituted to address the students' behavioral and academic issues. It strives to provide an admissible atmosphere to the students by organizing personality development camps to overcome the gender differences, conducting training programmes for the students and staff on counseling. Anti-Ragging cell plans the activities like Anti-ragging campaign, formation of anti-ragging squad, Debate, Skits, Awareness talk by Government officials for curbing the ragging menace and making the students aware of human values. The cell addresses the complaints by the students, scrutinizes and approves the reports of the Anti-ragging Squad.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The students admitted into this institution are from diverse social, economic, cultural and vernacular backgrounds, with disparate levels of knowledge and skills; hence their learning needs are different. After the admission of students, MREC organizes an orientation program for all the students by bringing the experts in the area of personality development to motivate them. The Institution has a career guidance cell and also has a mentoring system to help the students to address their concerns and improve their learning levels. The students are also given orientation towards communication and improving their language skills.

### Process for Encouraging Slow learners

The students admitted into this institution are from diverse social, economic, cultural and vernacular backgrounds, with disparate levels of knowledge and skills; hence their learning needs are different. After the admission of students, MREC organizes an orientation program for all the students by bringing experts in the area of personality development to motivate them.

### Process for Encouraging Advanced learners

The complete methodology followed in MREC helps in encouraging the slow learner to become an advanced learner and prepare an advanced learner to reach the highest opportunities.

### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The teaching methodologies of MREC are designed in such a way that they enable the students to develop their skills through theory as well as hands-on experience. Our students and faculty members regularly interact with industry, academic and various government organizations.

Following are the teaching methodologies followed by teachers in MREC

Student-centred learning, also known as learner-centred education, broadly encompasses methods of teaching that shift the focus of instruction from the teacher to the student. Teaching and Learning of MREC put students' interests first, acknowledging student voice as central to the learning experience. MREC's teaching-learning emphasizes each student's interests, abilities, and learning styles, placing the teacher as a facilitator of learning for individuals rather than for the class as a whole. Experiential learning, participative learning and problem-solving methodologies are well adopted to ensure the holistic development of students and facilitate lifelong learning and knowledge management.

### 2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

MREC, being an Autonomous Institution, encourages intensive use of ICT enabled tools including online resources for effective teaching and learning process. All the faculty members of MREC are using ICT tools and resources. The Learning Management System (LMS) of MREC was established in the year 2015 and was effortlessly utilised by faculty and students. As MREC is using its LMS for a long time now, even during the COVID-19 Pandemic the teaching and learning process was not affected and progressed as usual online.

#### Learning Management System (LMS):

- MREC has its own Learning Management Systems [www.mrecacademics.com](http://www.mrecacademics.com).
- The Study materials were made available on the website. (<https://mrec.ac.in/Examinations/ExaminationsStudyMaterials>)
- The video lectures of faculty members were uploaded to MREC Academic Lectures Youtube Channel. ([https://www.youtube.com/channel/UCoN0ikxANX6C\\_asc8rTLq\\_Q/videos](https://www.youtube.com/channel/UCoN0ikxANX6C_asc8rTLq_Q/videos)).

#### ICT Facility:

- All the Classrooms are ICT enabled with a Desktop, LCD Projector and Wi-Fi connection.
- The seminar halls are equipped with multimedia facilities using ICT tools. Invited talks and webinars are conducted in the seminar hall using ICT facilities.
- Information & Communications Technology (ICT) enabled teaching methodologies and advanced technology is being followed by the faculty members in classrooms.
- Use of multimedia teaching aids like LCD projectors, classrooms with internet-enabled computer/laptops/tablet systems are usually in use in the classroom.

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

#### Preparation and Adherence to Academic calendar:

An academic calendar is framed based on the discussions with the Internal Quality Assurance Cell (IQAC), Controller of Examinations, Department Heads, Department level consultative committee and other decision-making authorities. The framing is carried out at least 15 days before the commencement of the academic year. The academic calendar is issued to the faculty members and students and published in institution website.

<https://mrec.ac.in/Academics/AcademicsCalendar>

The academic schedule provides

- Date of commencement of the academic session.
- Duration of semester.
- Commencement of Continuous Internal Evaluation (CIE) test.
- Last working day.
- Parent teacher meeting.
- Commencement of practical and semester end examinations (Regular & Supplementary).
- Study period, and date of reopening of the forthcoming

semester etc.,.

The Adherence to academic calendar is ensured by periodic reviews in different levels like Course Monitoring Committee (CMC) meetings, Departmental meetings, Program Assessment Committee (PAC) meetings.

#### Teaching Plans:

In our institution, the teaching plans (Course plans) are prepared by the faculty at the beginning of the semester and circulated to students. Students can view the plan and prepare accordingly. The teaching plan contains the module number, topic name, number of hours, teaching methodology and date.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The institution has an automated academic, examination and evaluation process. The COE office has adopted student-centric and transparent practices by automating the examination processes. Starting from course registration to publishing the results are carried out digitally. The following IT integration and reforms in the examination procedures and processes.

- Complete automation of the examination processes helps in the successful execution of examination process such as monitoring of examination fee payment, examination schedule, seating arrangement, attendance monitoring, coding and decoding of scripts, marks data entry, preparation of programme wise results etc.,
- Payment gateway is also available for the payment of various fees online by the students to make the registrations online for various services.
- OMR based answer script was introduced in MREC for ensuring strict confidentiality by avoiding manual coding in the examination and evaluation system.
- MREC quickly responds to the students' grievances related to any examinations and a mechanism is developed for quick settlement of grievances.
- Online publishing of results is made available in MREC examination portal.
- Printing and issuing the marks memos and provisional degree certificate in shorter duration.
- Digital maintenance of students marks records and different types of certificates: Transfer Certificate, Bonafide Certificate, Custodian Certificate and Transcripts.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Yes, Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) are framed by the department delivering the concerned programme following extensive consultation with all faculty and stakeholders, in strict accordance with the objectives of Outcome-Based Education (OBE). Following the achievement of consensus, the information is extensively disseminated and popularised through different channels, including

- Website
- Curriculum / regulations books
- Classrooms
- Department Notice Boards
- Laboratories
- Student Orientation Programs
- Meetings/ Interactions with employers
- Parent Teachers meetings
- Faculty meetings
- Alumni meetings
- Professional Body meetings
- Library

While addressing the students, the HODs create awareness of POs, PSOs and COs. The faculty members, class teachers, mentors and course coordinators also inform the students in creating awareness and emphasize the need to attain the outcomes.

Outcome-Based Education (OBE) is implemented in this Institute since 2012 as OBE give emphasis on what is expected from the student when they finish their course. The POs/PSOs of the programme are published through electronic media at individual department sites located on the college website <http://www.mrec.ac.in/>. The COs of the courses is also published in the syllabus books through electronic media at

<https://mrec.ac.in/Academics/AcademicsSyllabus>.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Yes, attainment of programme outcomes and course outcomes are evaluated by the institution.

Process of Attainment of Course Outcomes

Direct evaluation techniques

- Giving home assignments and study the performance of each student
- Course assessment
- Conduct mid semester exam
- Conduct end semester exam covering the entire syllabus of the course
- Laboratory assessment
- Conduct departmental seminar to each student about any relevant topic to assess the communication and presentation skills.
- Project Assessment
- Assessment of Internship project
- Conduct minor project review meeting at the end of 7th semester and final project review at the end of 8th semester.

Direct Assessment Tools

Process of Attainment of Program Outcomes

The assessment of the Programme outcomes is made based on the

indirect and direct assessment methods. In this 80% of direct assessment and 20% of indirect assessment considered for attainment.

#### i. Direct Assessment Tools

##### Assessment through attainment of COs

The average attainment of all students for every course is calculated and mapped with respective POs (based on CO and PO mapping) according to the weightage of against each POs. The attainments of the POs are scaled to 80%.

##### Relevance towards the attainment of POs

## RESEARCH, INNOVATIONS AND EXTENSION

### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The dedicated Research & Development Cell (R&D cell) is established with an objective to create a high-quality research ambience in the institute that helps to take up high quality research.

- The R & D Cell evolves strategies and policies to encourage the faculty members with incentives for publishing quality research papers, filing patents, Books, Book Chapters and Conferences.
- The R & D Cell is to create an ecosystem both in terms of infrastructure and scholastics that would enable the faculty members and students to take up research in the recent trends.
- To achieve high quality research ambience in the Institute, a Research & Development Centre is set up with the objective of developing the strategic plan for research and implementation of such plans.
- Full autonomy has been given to the faculty members to carry out the research as per terms and conditions given by funding agencies.
- Faculties are encouraged to undertake consultancy work.
- Total Incentives of Rs.7,18,294/ received by 125 faculty for the AY 2020-21
- The college provides seed money grant to faculty members for research.
- Incubation Center of the college endeavors to enable the young minds to transform their innovative ideas with multidisciplinary expertise into viable business plans and actions.
- The Research and Development cell work flow is given below,

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The institution has created an ecosystem for innovation including incubation centre and other initiatives for creation and transfer of knowledge. The faculty members are empowered to take up research activities utilizing the existing facilities.

#### a) Entrepreneurship Development Cell:

EDC organizes the work plan of the Entrepreneurship promotion activities. The cell keeps the students informed and encourage them for different Entrepreneurship related activities. The EDC has collaboration with Indian School of Business (ISB) Hyderabad and our students pursue different certificate and diploma courses from ISB.

#### b) Women Entrepreneurship Development Cell

We established separate Women Entrepreneurship Development Cell (WEDC) for the women empowerment under Women Development Cell (WDC). Engage in right pursuit of imparting quality and value

based education; MREC has always explored the new avenues for student development in sustainable way.

c) MREC Incubation-Hub:

Incubation-Hub will encourage students with a special and entrepreneurial bent of mind. Students could come up with various innovative and creative ideas and can utilize their talent for starting their new ventures.

d) Community Orientation :

The MREC became an Indo Universal Collaboration for Engineering Education (IUCEE) consortium member in 2016, and since then has been actively involved in spreading IUCEE's vision and as a member of the IUCEE-EPICS.

### 3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

#### a) Extension activities - Neighbourhood Community :

The NSS schemes of the Institute initiated various events like organizing and promoting Swatch Bharat Abhiyan, blood donation camps, awareness programs on anti-ragging, rural development camps, educating the villages, etc . The college also contributes much through the NSS wing which has multi-faced activities like environmental issues, working with orphanages, etc by involving the volunteers

**b) Social Issues**

Activities like save our ponds and lakes, tree plantation drive seeded for the Green Revolution, Preparation and distribution of clay Vinayaka idols during the Ganesh Chaturthi festival has been followed as a part of environmental awareness and also motivate the neighborhood to take similar steps in this aspect.

**c) Impact**

The Institute has a Centre of Excellence where the ideas get further elaborated by framing a problem, understanding the end-user requirements, brainstorming and identifying a set of solutions, and finally narrowing down to a solution. Events like Haritha Haram, donating for victims affected by natural calamities, digitization and many are successfully conducted with the cooperative participation of the volunteers in collaboration with other agencies/NGOs. (<https://mrec.ac.in/NAACDocument/20210611225210-Street%20Cause%20by%20MREC%20Students.pdf>). The main motto of the health club of MREC is "Health is Wealth".

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

#### Response:

Yes, the institution has adequate infrastructure and physical facilities for teaching-learning process. Malla Reddy Engineering College, Main Campus, established in the year 2002 is one among the top 259 colleges in Telangana State. The college is located on a 10-acre campus with 34151.42 Sq.mts (3,67,602 Sq.ft) built-up area and is permanently affiliated to JNTUH. The college is conducting 11 undergraduate and 7 post-graduate programs. MREC has a state-of-the-art infrastructure, creating an environment for progressive learning and development. We have well-equipped classrooms and laboratories as per the AICTE requirements to cater to the academic needs of the students.

#### Classrooms:

There are 83 Classrooms and 6 Seminar Halls which are equipped with ICT facilities.

#### Laboratories:

There are 108 laboratories, 5 R&D centers, 2 Workshops, and 2 Data centers which are well equipped and maintained. Computer laboratories are installed with licensed software as well as open-source software.

Apart from regular labs, we have well-established R&D Labs, Project Lab's industry tie-up MOU laboratories like IBM, HP

Devops, CISCO, Google Cloud, SalesForce, and Red Hat Linux campus connect lab, LabVIEW, GT Lab, STAAD.Pro, CREO, ANSYS, HFSS Communication Design Suite Software, CADENCE, O-PITBLAST, STRAYOS, etc.,

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

#### Response:

The Knowledge Resource Center of Malla Reddy Engineering College is the treasure house of information and is one of the important central facilities of the Institution, established in the year 2002, catering to the educational and information needs of faculty and students in Engineering at both UG & PG level and the Library is holding with 60094 volumes, 6979 titles with e-ATL facility for all students and Staff and having Subscription in all national access like Delnet, Digital Library, IEEE-ASPP, INFLIBNET, J-GATE etc.

#### Library Automation:

The library is fully automated and KOHA is the software used for Circulation, Procurement, OPAC, and Project Reports. All the library documents are bar-coded and books are issued to users by reading the barcode of the document

On average around 1500+ students make use of the Library resources through e-ATL and offline mode, as most of the daytime, the students are attending the classes. A register is maintained to know the number of users who make use of the library every day.

#### e-ATL

MREC Library provides a remote access facility to current Students, Faculty Members, and Staff Members to access the subscribed e-resources from an off-campus location, through the "Remote Log" software service.

### 4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

#### Response:

#### IT Policy:

MREC framed and established an Information Technology Policy in the year 2015 to maintain, secure, and ensure the legal and appropriate use of Information technology.

Now, the College has about 1620 network connections covering more than nine buildings across the campus and expected to reach 2500 connections very soon

#### Internet & Wi-Fi Facility:

- Full coverage of Wi-Fi.
- Extension of Wi-Fi to the canteen. 500 Mbps speed internet.
- 70+ Wi-Fi access points with extenders provided to cover the entire campus. Internet connectivity to all computers.
- Wi-Fi facility 24 hours on campus Dedicated Internet Labs

Apart from the computer laboratories setup for syllabus programs the Institute has provided computer centers for general purposes and learning during extra hours.

We have local area wireless technology which allows an electronic device to exchange data or connect to the internet using 12MBPS in our college campus and UG and PG hostel.

#### Cyber-Security:

A new firewall 'Cyber room-300NG' was installed for the security of the campus network with filtering features. In the year 2017, the Cyber room firewall was deployed for handling enhanced load on network and applications, catering to academic and

administrative processes, for a secure campus network.

### 5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

Malla Reddy Engineering College (MREC) Alumni Association is a registered body with registration number 778 of 2008 under CMR educational Society. All graduated students become members of the alumni association. The members of the alumni association

have regular interaction with the management, Principal, faculties and staff members regarding the overall development of the institution. The Alumni association committee is formed every three years and holds two executive committee meetings on an average every year. The college Annual Alumni meet is held in the month of June/July every year. The alumni meet is a formal function which consists of Registration, inauguration, games, formation of alumni association, alumni interaction with students, cultural programs by present batch of students followed by lunch. The institution effectively utilizes the expertise and the service of the alumni and the financial support it receives from the alumni for the overall development of the institution. The institution is gaining immensely from the support of its huge and loyal alumni network.

The Alumni chapter also contributes to the development of the Institution through various other support services.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Governing Body (GB) is the highest decision-making body of the Institute and it constitutes as per the guidelines of the University Grants Commission (UGC). The GB ensures preparation of the Strategic Plan through bottom-up approach involving all

the stakeholders and implementation through top down approach. The GB through the principal ensures that all decisions on the matters such as admission, budget, infrastructure, Teaching-Learning Process and placements are in line with Institute's Vision, Mission and Quality Policy properly reach the stakeholders implementation of the same.

The Vision and mission of the institute is to be a pioneer institute and leader in engineering education to address societal needs through education and practice.

#### Nature of the Governance

The Governance and Leadership of Malla Reddy Engineering College ensures the meetings of the Governing Body, Academic Council, Finance Committee, IQAC, and Selection Committees.

#### Perspective Plans

The decision-making process and quality planning are articulated keeping the Vision and Mission. The principal and the faculty design activities and the apex management monitor its implementation by providing the necessary support.

#### Participation of Teachers

Teachers play a major role in the decision-making, planning, implementation of the academics and

Administrative functions through various statutory and non-statutory committees of MREC.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

Malla Reddy Engineering College prepares and deploys the strategic plan effectively to fulfill the requirements of the industry and society by providing quality education with well-established infrastructure which leads to students' progression towards technical and social excellence.

The Strategic Plan was drafted for the period 2018 to 2023 for transforming MREC into a quality technical education institute at the global level. It was developed with the stakeholders, both internal and external participation. The management's vision of providing holistic education which imbibes academic excellence and professional ethics in the students during the course of their education at the College.

Activity successfully implemented based on the strategic plan

To be ranked at the top in the list of NIRF Technical Institutions in India.

- Ministry of Education ,Govt. of India, announced to rank Institutions of higher education in India. The Framework was approved and launched by Minister of Human Resource Development.

The NIRF Ranking is prepared based on five parameters

Teaching, Learning & Resources (TLR)

Research and Professional Practice (RP)

Graduation Outcomes (GO)

**Outreach and Inclusivity (OI)****Peer Perception**

Malla Reddy Engineering College submitted all necessary documents as per the guidelines and achieved NIRF ranking in a band of 250-300.

#### **6.4 - Financial Management and Resource Mobilization**

##### **6.4.1 - Institution conducts internal and external financial audits regularly**

The institute conducts regular financial audits by a certified & recognized CA, through the CMR Educational Society. Internal audits are also performed by the Management/ Principal /IQAC. The institute ensures that financial audits are done on all the aspects of the financial functioning of the institute in a systematic procedure, following the financial policies. Final audit reports are approved and ratified by the institution's Governing Body. The Finance committee headed by the Principal conducts a periodic internal finance audit for the verification and validation of payments, receipts, cash books, and ledgers for compliance.

The institute engages a reputed firm/agency for conducting an external audit, usually once in a financial year. The audits are duly approved by authorized officials. This way the audits ensure that all the functions are carried out in the strict interest of the institute and are directed towards the prosperity of the institute.

Finance Committee meets 2 to 4 times a year and reviews the income-expenditure statements and suggests a further action plan. Management through Governing Council looks into income and expenditure patterns and pragmatic recommendations are given.

An effective financial management system is in place and helps the institution's in overall development

#### 6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Strategies for mobilization of funds The institute prepares a strategy to pool the financial resources to meet the institutional operationsthrough affiliated university fees, transport fees, admission fees, NBA, exam fees, and hostel fees, Telangana Admission and Fee Regulatory Committee (TAFRC). The tuition fee fixed for the college depends on the institution'sstrength. MREC provides continuous efforts to enrich the campus facilities

The institute put forth requests to the apex bodies like AICTE,

UGC, DST, and other government bodies with the project proposals. After the scrutiny of the expert evaluation, the respective project proposals are sanctioned with financial grants.

The institute offers consultancy and training services to external agencies. It pools the financial support from non-government agencies, sponsorships, industry, and philanthropists.

Optimal utilization of financial resources: Well-established procedures are in place to achieve the short-term and long-term goals of the institution in line with the strategic plan. Planning for the utilization of funds starts from the section in-charge presenting annual requirement proposals in view of the development and upgrading laboratories, computing facilities, library, teaching-learning-process, training, R&D, etc.

The Finance Committee continuously monitors the utilization of the financial resources. In any unforeseen circumstances, a non-budgeted amount is considered at approvals from the authorities.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

#### 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute has adopted the following different measures to promote gender equity.

#### Practices to promote Gender equity:

Various occasions like International Women's Day, Bathukamma festival, Kaartheeka vana samaaraadhana etc are celebrated with an objective to empower women with autonomy. Successful women who can inspire the women faculty and the girl students are invited as Guests of honour for International Women's Day celebrations. Bathukamma festival is a traditional floral festival celebrated in the state of Telangana. Management members, staff and girl students together celebrate this festival.

#### Special facilities provided for women:

Security personnel are deployed at appropriate locations to doubly ensure the safety. The CC Cameras that encompass every corner of the institute supplement and complement the physical security. Counselling is an integral part of the routine practices in the institute. Common room facility available in each of all the departments. Day care facility takes care of the toddlers.

#### Women Protection Cell:

A Women's Protection cell constituted by women faculty members handles the safety and security issues of both girl students and women. The members of the cell regularly interact with both the target groups. Grievance redressal cell also involves in few issues of concern.

- • Dust bins are provided all across the campus to collect the garbage which is segregated to dry and wet waste, treated properly and dumped at the designated location to get the compost prepared. This compost is fed to the plants in the campus. An MoU with Urban Rebox IT helps in effective solidwaste management.
- • The campus's liquid waste is discharged into an underground drainage system that is connected to a Sewage Treatment Plant (STP). Sewage water from various buildings is collected and filtered properly to remove any kind of solid waste. Then this water is treated in different stages in the STP to remove odour. Finally, this water is treated with the permitted disinfectants and used for gardening.
- • Urban Rebox IT collects and disposes E-Waste in a safe

and environmentally friendly manner periodically as a part of the MoU.

- • The biomedical waste such as sanitary napkins are collected by the personnel from Malla Reddy Multispecialty Hospital every month for safe disposal.
- • The departments in the institute does not use hazardous chemicals and radioactive materials. The Chemicals which are used in the first-year laboratories are of non-hazardous type.

- Programmes like Republic Day, Independence Day, Rashtriya Ektha Diwas, Constitution Day, National voters' day etc are conducted regularly in the institute with an objective to educate the staff and students about the fundamental rights and duties as granted in the constitution of India. These occasions are used to help the students in particular to imbibe the democratic values.
- The NSS coordinators organized pledge campaigns in the college to bring awareness about vote and its importance, unity and diversity etc., particularly to the students.
- Responsibility towards the society in terms of educating the ignorant rural background people, striving for environment sustainability etc are inculcated among the students through various social service programmes implemented by the NSS.
- Special care was taken to ensure that the students are enrolled in the electoral list as and when they attain the eligible age of 18 years.
- The institute believed in the concept of 'Good citizens are made, not born'. Accordingly, the above measures are contemplated and implemented so as to carve a professional engineer as a responsible citizen of the country.

### 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

MREC adopts various unique measures to help and support the students and faculty members. A few of them are discussed below.

Student related activities:

- The institute provides ways and means to the students to explore and expose their innate talent in co-curricular and extra-curricular events.
- Students' Associations Council (SAC) is an agglomeration of various Student clubs like Singing club, Dance club, Fine arts club, Technical club, Literary club, Sports club, Social service club etc. These different clubs plan and conduct various activities in the afternoon session on every working Saturday.
- Apart from these SAC activities, special care is taken by the institute to offer Skill development training programmes to the students so as to ensure that the students get suitable Placement opportunity.

Faculty related activities:

- Our institute adopts a novel way of energizing the staff members. All the staff members irrespective of their designation / role are invited along with their family members for a 'Get together' in an amicable and accessible location once in a semester.
- Faculty members are encouraged to take up quality research by providing suitable incentives based on their contribution in the form of research papers, patents,

books and book chapters etc.
