Action Taken Report for Students feedback on Curriculum

Academic year: 2020-2021

Semester: III

The following table gives a summary of the issues received from the students and the action taken in this regard by the Department based on the feedback and the action taken are mentioned here under.

Sr. No	Feedback	Action Taken
1	Students suggested to develop innovative skills as well as technical skills which help them identify students capabilities and talent	Students are encouraged to participate in Technical Hackathons, technical competitions like paper presentations with proper guidance by the faculty
2	Industry required and Skill development courses were requested by students	Most of the courses offered by CSE Department are aimed at as part of providing job opportunities/skill development and also as per the stake holders suggestion, curriculum courses are restructured and reviewed to meet the students expectations. Also new courses are introduced in the curriculum e.g. Big Data Analytics, Cloud Computing, Mobile Application Development
3	Need more Industry visits for practical exposure	Several Industry trips are arranged and we plan to arrange more such trips to T Hub, MNCs to have real time exposure
