

Malla Reddy Engineering College

(An UGC Autonomous Institution approved by AICTE and affiliated to JNTU Hyderabad, Accredited by NAAC with 'A' Grade (II - cycle)
NBA Accredited Programmes - UG (CE, EEE, ME, ECE & CSE) PG (CE - Structural Engg., EEE-Electrical Power Systems, ME - Thermal Engg.).

Waste Management and environment improvement measures to ensure a sustainable Green Campus

The college has entered into MoU with M/S Urban ReboxIT Pvt Ltd., to deal with Solid waste – both conventional and e-waste. Also, the college has installed 3 Cubic metre Biogas Plant that consumes approximately 15 kg of Kitchen waste and produces nearly 1 Kg of biogas that helps to dispose the solid waste in an eco-friendly manner. Further it is worth mentioning that no hazardous chemicals and radioactive materials are used in the chemical laboratories across the campus.
