

Malla Reddy Engineering College

(An UGC Autonomous Institution approved by AICTE and affiliated to JNTU Hyderabad, Accredited by NAAC with 'A' Grade (II - cycle)
NBA Accredited Programmes - UG (CE, EEE, ME, ECE & CSE) PG (CE - Structural Engg., EEE-Electrical Power Systems, ME - Thermal Engg.).

Sewage Disposal System

A 400 Kilo Litre Day capacity Sewage Treatment Plant (STP) is erected in the campus closer to the North – East side in the backyard of the Cricket ground and adjacent to the College bus parking area. The sewage from various blocks in the college are directed towards the feeding end of the STP, where the processes of aeration, sedimentation, sludge accumulation, sludge drying, chlorination, ozonisation etc are done in a methodical manner to treat the sewage water such that the output water is odour free and can be used for all the domestic purposes.

400 KLD capacity Sewage Treatment Plant
