First aid kit

The college handles the unexpected sickness of the students in two ways.

1. The duty doctor in the campus attends the sick student and based on the severity administers first aid treatment.
2. If the condition of the student is beyond this basic treatment, he / she will be rushed to Malla Reddy Hospital which is at a distance of 3 km from the college. The college has MoU with the hospital to offer free treatment to all the staff and students in case of emergency.
