NEWS LETTER

Sri Ch.Malla Reddy, Founder Chairman & Hon'ble MP, Malkajgiri

The pride of every student and staff would be in his/her college. A college may reach heights of glory but without materials like a college magazine, the outside world may not know of it. The essential purpose of a college magazine is to inform, engage, inspire and entertain a diverse readership - including alumni, parents, students, faculty, staff and other friends of the college - by telling powerful stories that present a compelling, timely and honest portrait of the college and its extended family. I am happy that there is a dedicated team of staff and students who have brought out the News Letter of our college. This magazine has been made an earnest attempt in this direction and brought out certain

aspects of the college to the eyes of the public so that they may understand and know the college even better. They have presented the stupendous achievements of MRECIans in the fields of academics, research, sports and extra-curricular activities, in a fastidious way. Innovations Hub represents the collective work of the team.

Dr.S.Sudhakara Reddy, M.Tech.,MBA.,Ph.D.,LIMISTE,FIE,MISME; Principal
