(UGC Autonomous Institution, Affiliated to JNTUH,  
Accredited 2<sup>nd</sup> time by NAAC with 'A' Grade)  
Maisammaguda (H), Medchal-Malkajgiri District,  
Telangana State – 500100

# Clean and Green Campus Policy

No.: MREC/POLICY/JAN-2015/05

# Malla Reddy Engineering College

## (AUTONOMOUS)

(An Autonomous Institution approved by UGC and affiliated to JNTUH Hyderabad Accredited by NAAC with 'A' Grade,  
Accredited by NBA of AICTE & Recipient of World Bank Assistance under TEQIP Phase - II, S.C 1.1)

No.: MREC/POLICY/JAN-2015/05

### CLEAN AND GREEN CAMPUS POLICY

Malla Reddy Engineering College started a mission of making the Campus clean and green in which staff members and students have contributed for taking steps in decreasing energy consumption, and increasing understanding and awareness of environmental concerns, all have worked together to provide a sustainable and energy-efficient college environment.

#### Mission:

To promote a culture of a sustainable lifestyle in an open discussion and to encourage the practice of resource maintenance at MREC and within the campus community that thereby promotes the campus' positive impact on the local and global environment.

#### Vision:

The MREC Sustainable Campus program aims to have our campus perform as a living model of sustainable development, providing learning experiences that students, faculties, and staff members can evolve, implement and practice at MREC and in their extended communities.

#### Objectives of the Clean and Green Campus Policy:

- ✓ To create awareness regarding environmental policy amongst the students, faculties, staff members, and management.
- ✓ To maintain a pollution-free campus, tobacco-free sign-boards are displayed at various places on the campus.
- ✓ To use Solar Energy on College Campus by installing Solar Lamps and Solar Water Heaters in Girls' and Boys' hostels.
- ✓ To sensitize the students and staff regarding the use of drinking water properly for which, we have provided purified drinking water facilities on the campus.
- ✓ To bring in use the 'Rainwater Harvesting' on the campus. We have collected the rainwater from the college roof and it is percolated in the land.
- ✓ To observe 'No Vehicle Day' and keep the campus vehicle free. It helps to save fuel, avoids environmental pollution.
- ✓ To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
- ✓ To use the solid waste through vermin-compost on the campus and use it as a fertilizer.
- ✓ To use 'Use me' Dry and Wet dust bins in the college campus to keep the college campus clean
- ✓ To maintain a green campus, 'Green Audit' is done regularly.
